Re: *Jones v. Halstead Management Company, LLC, et al.*, Case No. 14-cv-3125
 Request for an Extension of Time to File Motion for Preliminary Approval

Dear Judge Caproni:

This firm and the Legal Action Center represent Plaintiff Kevin A. Jones in the above-referenced action. By this letter, Plaintiff respectfully requests an extension of time to file a Motion for Preliminary Approval of the class action settlement in this matter, up to and including September 4, 2015. The current deadline for the Motion for Preliminary Approval is August 21, 2015.

The extension is requested because the parties are still in the process of finalizing the details of the settlement agreement, drafting collateral documents including proposed notice to the settlement class and engaging the services of a settlement administrator. The extension is also requested in light of the unavailability of one of Plaintiff's counsel due to a family medical issue.

This is Plaintiff's first request for extension of time to file a Motion for Preliminary Approval. Counsel for Defendant consents to this extension.

Thank you for your consideration of this request.
